Student News – The pack stands at 51 members at the writing of this report. We received 5 new students just this week, so that number could be different when the report is read. Our High School students really stepped up while our custodian was out sick. Our boys collected trash and helped pick up the slack around the building as well as keeping up on all their classes.

Staff News – Savannah Beazer has been named our “Leader of the Staff” for her outstanding work in the month of August. Mrs. Beazer had to be moved from her usual home of the Middle School to come down for the first few weeks to be in our elementary school. Mrs. Beazer did an amazing job with one of our new arrivals and did an amazing job staying positive in a very difficult environment than she was used to.

Building News – The building is still in fine shape after the summer crew worked their magic. The floors are still shining and looking like new, so the building is in good hands with our new custodian.

ADJOURNMENT:

With no further items for discussion, a motion was made by Elliott and seconded by Bryan to adjourn. Time: 1:37 p.m.
