T. Gregory Wertheim
Director
Henry-Stark Counties Special Education District #801
1318 W Sixth Street
Kewanee, IL 61443

Dear T. Gregory Wertheim:

This letter is to serve you and the Executive and Governing boards of Henry-Stark Counties Special Education District #801 with notice of my intent to retire following the conclusion of my contract at the end of the 2022-2023 school year.

I have enjoyed my time with the district as both a teacher (starting in 1989) and an administrator (starting in 2005), so it is with regret that I submit my resignation. I have enjoyed instructing, supporting, and building bonds with students, colleagues and families. Henry-Stark has been a wonderful organization in which to work, however, I feel it is time to move forward and enjoy my time working with my husband in his business as well as hopefully finding time to travel and enjoy retirement life.

I wish Henry-Stark, its employees, and those the districts and students it serves much success in the coming years.

Sincerely,

Jana K. Clancy
Program Coordinator
