

ExCEL

Board Report February 2026

Submitted by Steve Wheelock

We are starting the year off in good shape, but looking forward to warmer weather. However, with spring weather comes the Illinois testing season, which is from March 2nd to April 24th. February 12th, our level 4 through 6 students get to celebrate “Education Day” with the QC Storm at a hockey game. We are also looking forward to the second annual ExCEL Trivia night on February 28th, hosted by Lance Camp.

The pack currently stands at 49 members. Ms. Keener’s credit recovery class has several students still working above and beyond to meet their credit requirements to graduate high school within the coming months.

Our “Leaders of the Pack” are as follows:

Elementary Grades- Conner S. from Kewanee

Middle School- Jhase S. from Stark County

High School- Ethan B. from Geneseo

The Leader of the Staff- Ms. Keener
