

ExCEL

Board Report October 2023 Submitted by Steve Wheelock

So far, things are going well at ExCEL. Last month's average enrollment was 54 students, and our 2-3 room and 4-5 rooms are still at maximum capacity. Several students are looking forward to returning to their home districts, two from our middle school and one from our elementary floor.

Last month's "Leaders of the Pack" for staff was our new custodian, Christine Clewell, who has quickly become an integral part of our staff. For our elementary floor, Anthony R. from Kewanee, on the Middle School floor, Aiden V from Cambridge, and J.T. from Annawan were our student "Leaders of the Pack."
