

ExCEL

Board Report

April 2024

Submitted by Steve Wheelock

ExCEL enjoyed a cool spring break and is heading into the year's final months. We are looking at the testing season, IAR and PSAT/SAT windows are open this month.

The pack currently stands at 56 members. We have accommodated some of our growing needs in the elementary setting and things are going well so far.

Our leaders of the pack for March were Hailiee P. from Kewanee for Elementary, Martez S. from Geneseo for Middle School, Eugene B. from Geneseo for our High School, and our staff leader is Mr. Taylor.
