Board Report

April 2026

Submitted by Steve Wheelock

Spring has sprung; however, last month during Spring Break, we had a blizzard, and by that Friday, we were enjoying weather in the 70's. As we deal with the vicissitudes of the weather, one thing you can count on in April is ACT, IAR, and ISA testing. ACTs are scheduled for April 14-17, and IAR/ISAs are scheduled for April 13-17.

The pack currently consists of 44 members, with several possible additions in the works. Ms. Keener's credit recovery class helped Zoey D. from Annawan meet her high school graduation credit requirements.

Our "Leaders of the Pack" are as follows:

Elementary Grades- Amari E. from Kewanee

Middle School- Braxton S. from Stark

High School- Bobby S. from Stark

The Leader of the Staff- Ms. Casteel
