

ExCEL

Board Report

May 2024

Submitted by Steve Wheelock

ExCEL is looking forward to the last days of the year. We are planning the annual Zoo trip to reward our rising stars on May 16th. This year, we have a small graduation ceremony on May 24th. One 8th grader, Brayden G from Kewanee, will be promoted, and Tyler Y from Stark County will graduate high school.

The pack currently stands at 58 members.

Our pack leaders for April were Gavin S. from Kewanee for Elementary, Leilan S. from Galva for Middle School, and Tyler Y from Stark County for High School. Our staff leader is Ms. Woodbury.
