Board Report September 2026 Submitted by Steve Wheelock

The pack started the year strong with a Back to School Night; we welcomed many families into the building to kick off the start of the school year. Our students are enjoying the many updated aesthetic features of the building, thanks to our wonderful summer crew's hard work. We successfully completed a fire drill already this year, and the students are excited about a few new incentives this year: our claw machine and hat passes.

The pack currently stands at 41 students, and we have welcomed many new staff members this school year. This month we celebrated our first round of Leaders of the Pack; those include:

Elementary School- John K. from Annawan

Middle School- Liam L. from Bradford

High School- Ryder Y. from Kewanee

Staff- Mr. Simosky
