## Board Report September 2025 Submitted by Steve Wheelock

The wolfpack is ready for fall. We have completed our placement tests and are actively engaged in learning.

We currently have 47 pack members, and referrals are arriving daily. We still have a couple of paraprofessional openings, but we have highly competent staff in place, and the students and staff are working well together. Molly Goodman is working hard providing social work services, and eagerly awaits Jena Rice's return later this month.

I am pleased to announce the first "Leaders of the Pack" are: Elementary Grades, Emma S. from Geneseo, Middle School, Jaymison B from Wetherfield, High School, Jason M. from Geneseo. The staff Leader of the Pack is Mr. Matt Marchand.
