

**Professional Development  
Henry-Stark Counties Special Education District #801  
2021-2022 School Year**

The following are proposed professional development opportunities for the upcoming school year but have not yet been scheduled. An actual, updated schedule of events will be available on the Henry-Stark website calendar.

- Visual Phonics training presented by Dave Krupke specifically for SLP's.
- Visual Phonics training presented by Dave Krupke for teachers, paras, or anyone interested.
- Infinitec online training designed to target the specific needs of paraprofessionals, teachers, and related service personnel.
- EmbraceIEP training/IEP training for all new staff and any current staff who are struggling and need a refresher. This will cover all new forms and form changes, address the common mistakes made in IEP's and how to write legally sound IEP's.
- Paraprofessional training will cover various topics but certain to include disability awareness and education, professionalism, simple behavior modification, de-escalation, and various other valuable parts of CPI.
- Training provided by Henry-Stark Program Coordinators and staff on district SIP days when time allows.
- CPI training both full-day and refreshers offered throughout the year.
