Board Report

August 2025

Submitted by Steve Wheelock

The building is clean, floors are shined, new banners are hung, the playground is finished, and everything is ready for the Pack to be back!

We currently have 45 pack members; however, referrals for the coming year are arriving daily. Staffing looks good, as most are planning on returning, and it seems like most of the vacancies will be filled.

We are rested and psyched for the new year. We have a large freshman class and a significant number of seniors in the High School. We are looking forward to a great year, but to quote one of my favorite philosophers F. Gump, “You never know what you’re gonna get.”
