

ExCEL Board Report

April 2019

Submitted by Casey Miller

Spring has sprung, and it is that fantastic time of the year when the sun is out, and Summer is right around the corner. The staff and students are back from Spring Break and are all geared up for the plethora of testing and IEP's that are upon us.

Student news- There are currently 64 wolves in the ExCEL pack. All students, grades 3rd-12th will be taking some kind of test in the next couple weeks and have been going through the preparation and practice phases since we returned from Spring Break. We had a good mix of district representation for student of the month for March. An Atkinson student won student of the month for the elementary, a Kewanee student for the middle school and a Galva student in the high school. Also, Ms. Anderson's class won the March Class Madness challenge and earned her class an ice cream party.

Staff news- Our staff member of the month is Ms. Janna Richards. She is one of our social workers and has been doing a fantastic job with the students.

Building news- The building got a nice facelift over Spring Break. Mr. Kegebein was able to have a few uninterrupted days of cleaning to get the building ready for the last quarter push.
