Board Report June 2022 Submitted by Casey Miller

We have reached the end of the year and now comes the summer fun.

Student news- The year ended with a total enrollment of 46 students. Of those students, 2 have graduated from our high school, 3 have transitioned back to their home school, and 8 have been promoted from 8th grade to the high school.

Staff news- The staff have all hit the road and are in full vacation mode at this point. Some of our staff have remained to help with the summer crew. They will be working with our custodian to make sure the building looks brand new come August.

Building News- It is the time of year where the nitty-gritty is the focus. The floors will be stripped and waxed, the walls painted, and everything will be wiped down and sanitized. We are excited to see what the building looks like after the first summer with our new custodian.
